

INFORMATION FOR ORAL PRESENTERS

Oral Presentation Format

Plenary congress presentations will be of 25 minutes duration followed by 5 minutes discussion. Contributed papers will be of 10 minutes duration followed by 5 minutes of questions and discussion. Presenters have to make electronic presentations using Microsoft PowerPoint.

Slide Check Room

A Slide Check Room will be available in the Hotel Tatra. Please make sure that your computer presentation is fully operational before your talk. Only PowerPoint presentations on CD-ROM and USB Memory cards will be accepted. Use of Microsoft PowerPoint versions 2003 or 2007 is recommended. Any other arrangement won't be accepted. We suggest that your computer presentation is installed and tested as soon as possible, but not less than 2 hours before your lecture.

Facilities

Audio visual equipment available will include slide projector, overhead projector, and a computer projector for Microsoft PowerPoint presentations. Equipment will be available for all speakers. Each presenter will be provided with a pointer.
